### **SHUTTLE SERVICE FOR PRESS OPERATORS** **IN MILANO MODA UOMO 25-29 JUNE 2006**

Camera Nazionale della Moda Italiana, in association with ATM, makes available for accredited journalists of Milano Moda Uomo a shuttle service from one fashion show to the other for the whole event.

The buses (6 minibuses with a capacity of 16 seats each) will be located outside each show and from there they will head for the next show. The six buses will leave at the end of each show one after the other at short breaks and once full.

The last one will leave the location not later than twenty minutes after the end of each show in order to reach the next show on time. Two hostesses from CNMI will coordinate the service on site.

The transfers will be available every day, from Sunday 25<sup>th</sup> Thursday to 29<sup>th</sup> of June. They will start every day in front of the location of the first show in the schedule and they will terminate immediately after the last one in Largo Cairoli, in front of the Sforzesco Castle.

We would like to thank ATM for the cooperation and the service offered.

We kindly ask you to look at the itinerary attached here along which perfectly reflects the shows' schedule.
